

# Aventurile educaționale ale Corcodușei

3-7 ani

## FORME ȘI CULORI

# Aventurile Corcodușei

## Forme și Culori Magice

Bun venit în lumea veselă a Corcodușei!

Corcodușa este un fruct jucăuș și curios, care adoră să învețe lucruri noi prin joacă, culoare și forme!

A pregătit pentru tine o mulțime de activități haioase, cu cercuri, pătrate, triunghiuri și multe alte forme simpatice, toate gata de colorat! 🎨

Împreună cu Corcodușa:

Vei învăța să recunoști formele

Vei colora curcubeie vesele 🌈

Vei învăța culorile într-un mod distractiv

Și vei descoperi cât de frumoasă este lumea înconjurătoare!

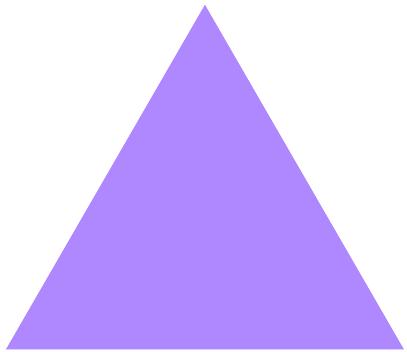

Perfectă pentru copiii curioși și pentru părinții care vor să-i învețe prin joacă pe cei mici.

Hai să pornim împreună în această aventură magică! 🎉

# Hai să învățăm formele!

Descoperă formele geometrice

# 2D sau 3D?

Colorează toate formele 2D cu ROŞU și toate formele 3D cu ALBASTRU

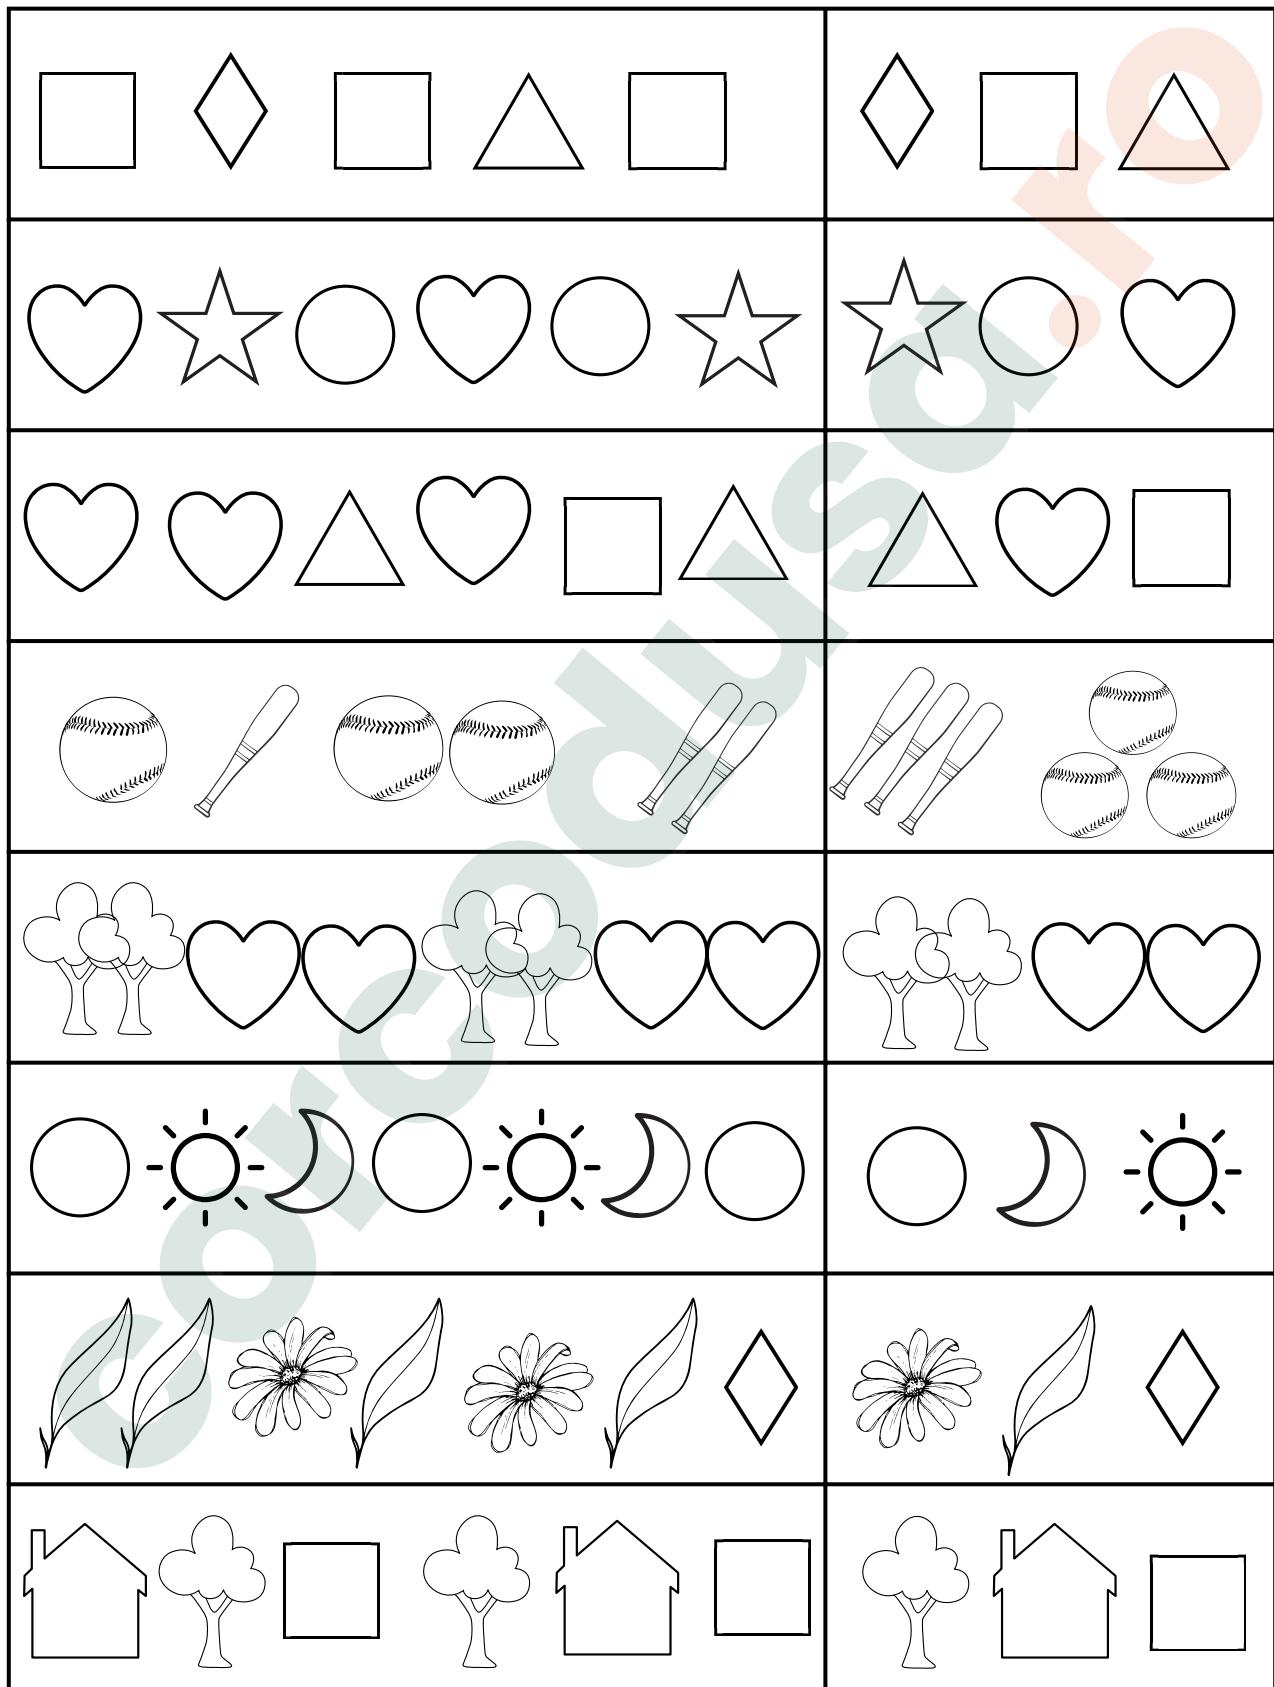

# Şiruri de forme

Completează şirul desenând forma care urmează

# Şiruri repetitive

Colorează obiectul sau forma corecta care urmează  
în sir

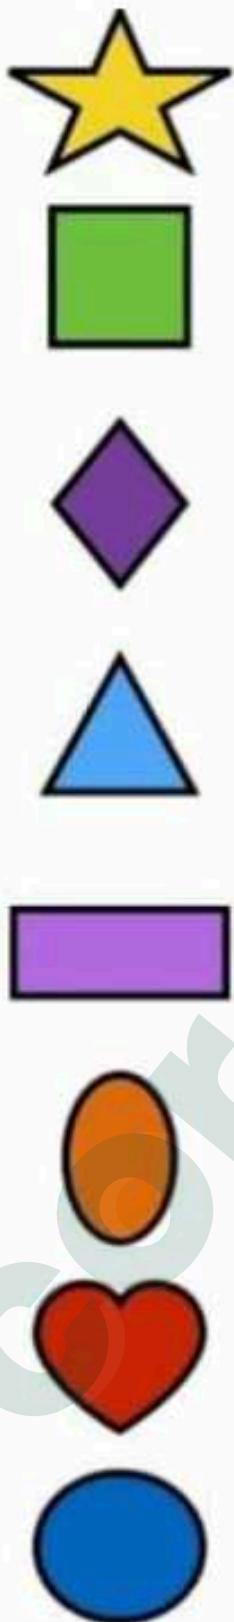

# Forme colorate

Colorează corect fiecare formă folosind culorile de mai jos:

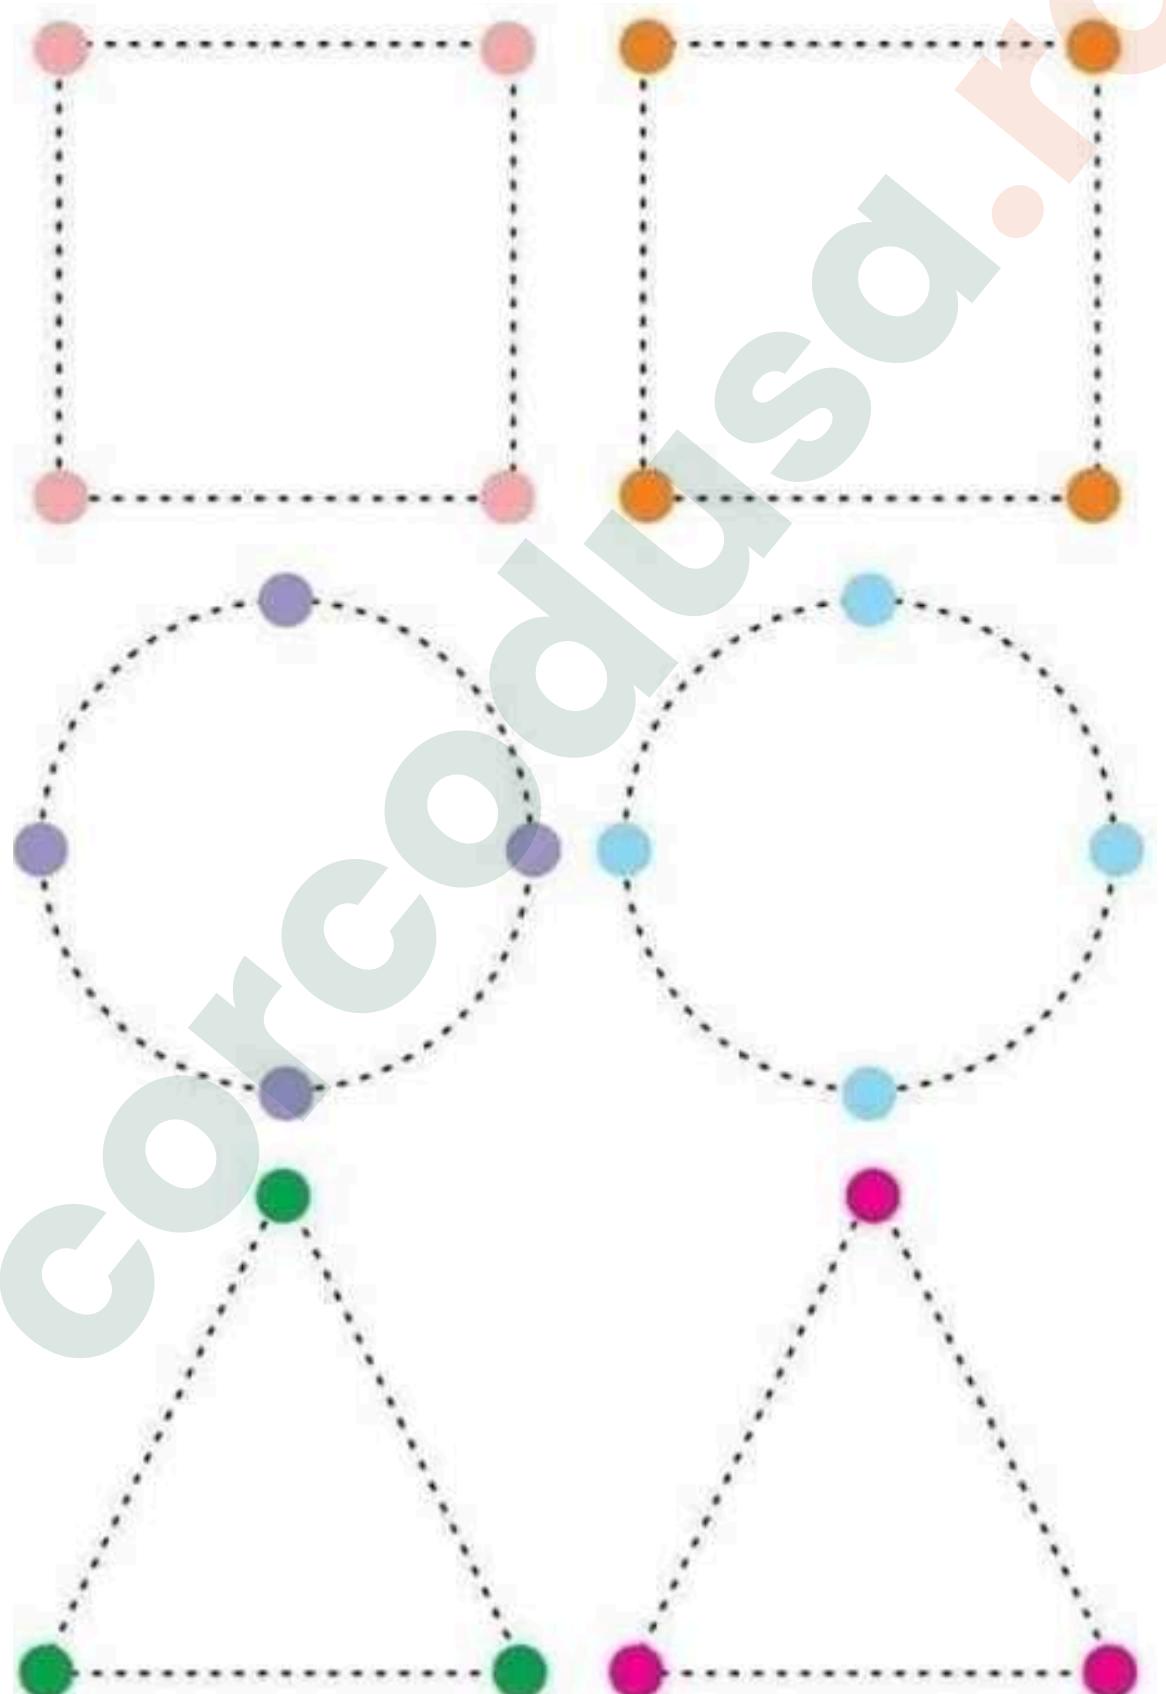

# Potrivește și colorează formele!

Trasează o linie de la fiecare formă către perechea corespunzătoare și colorează-lă fel

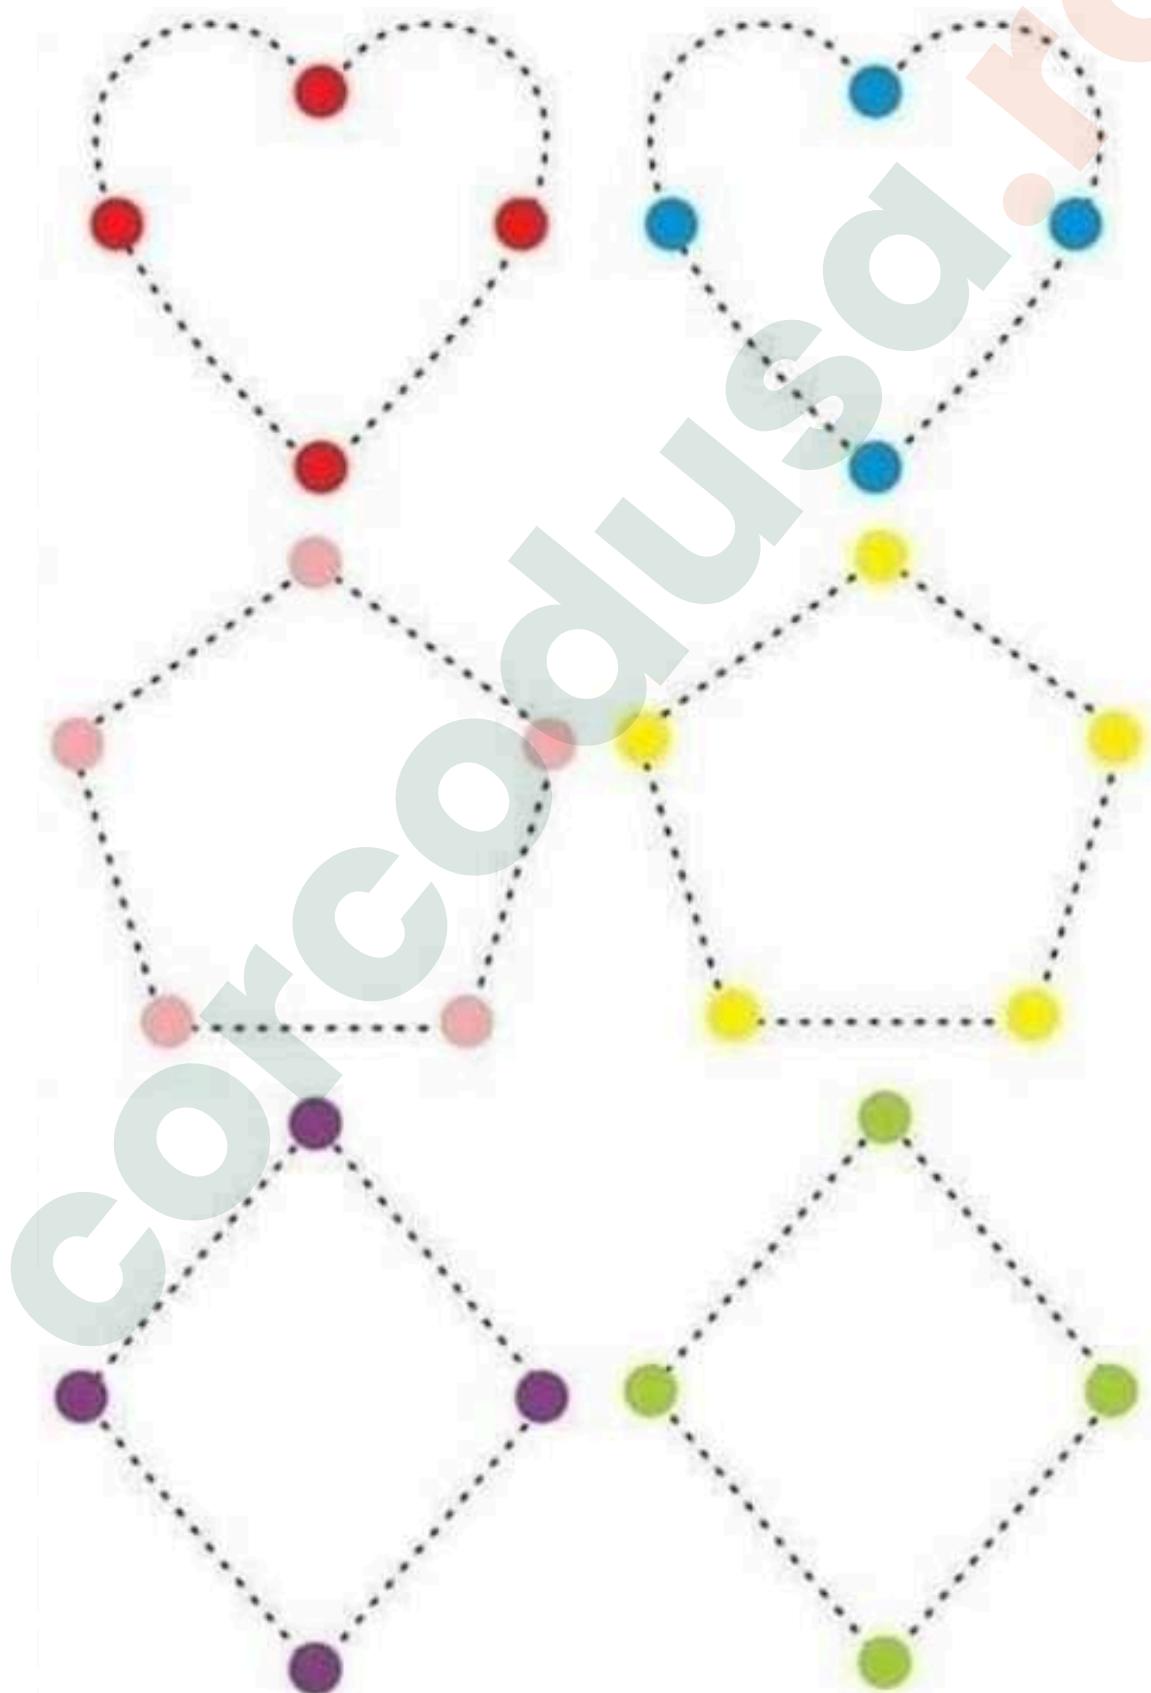

# Trasează liniile punctate și colorează forma!

Urmează conturul și dă culoare formei conform indicațiilor

# Trasează liniile punctate și colorează forma!

Urmează conturul și dă culoare formei conform indicațiilor

# Hai să descoperim lumea culorilor!

Învață cele mai folosite culori într-un mod distractiv!
